Removed is short for “removed a generation” (either up or down) . . . so

- a straight line=a “straight cousin relationship”
- a diagonal line=removal of one or more generations

3rd cousins have the same
GREAT-GREAT-GRANDparents

Note: There is no such thing as a “great aunt” or “great uncle.” These siblings of your GRANDparents are your GRAND-aunts and GRAND-uncles

GREAT-GREAT- GRAND
